A bit about Jacobs Run.....

Jacobs Run Equestrian Center is a fully functional lesson and boarding barn located in the beautiful foothills of Forest, Virginia. Our riding facility is centered on the foundations of horsemanship, sportsmanship, and community outreach. Our facility offers several boarding packages, lessons, and show opportunities including an IEA team. We are home to a nice show team that is competitive at the local and breed level.

Jacobs Run Equestrian Team received its name with the idea of sportsmanship and character in mind. All of our riders are taught to be supportive of one another in and out of the show ring. Our older riders are positive role models to our younger riders and assist them in daily activities and challenges. Our team also plays a role in community outreach. Our students work with members of the community to educate them on the bonds formed between horses and people.
